(Neuron 62, 17–29; April 16, 2009)

Equation 5 in the main text was incorrectly duplicated from elsewhere in the manuscript. Equation 5 should read:

$$E = \frac{1}{2} \sum_{ij} C_{ij} \left(W_{ij} - a \sum_{\mu=1}^P K(|\mathbf{x}_i^{\mu} - \mathbf{x}_j^{\mu}|) \right)^2.$$
